PAUL HARRIS (FOUNDER OF ROTARY)

Paul P. Harris (1868-1947), a lawyer, was the founder of Rotary, the world's first and foremost international service organization. Rotary is an organization of business and professional leaders united worldwide who provide humanitarian service, promote high ethical standards and help build goodwill and peace in the world.

Born in Racine, Wisconsin, U.S.A. on April 19, 1868, Paul was the second of six children to George and Cornelia Harris. At age 3, he moved to Wallingford, Vermont where he grew up in the care of his paternal grandparents. Married to Jean Thomson Harris (1881-1963), they had no children. He received a LL.B. from the University of Iowa and received an honorary LL.D. from the University of Vermont.

Paul Harris worked as a newspaper reporter, a business teacher, and cowboy and traveled extensively in the U.S.A. and Europe selling marble and granite. In 1896, he went to Chicago to practice law. One evening, after dinner, as Paul and his friend strolled through the neighborhood, he was introduced to various tradesmen in their stores. This reminded Paul of his New England village and it occurred to him "Why not have a fellowship composed of businessmen from different occupations, without restrictions of politics or religion."

On February 23, 1905, Paul Harris formed the first club with three other businessmen: Sylvester Schiele, a coal merchant, Gustavus Loehr, a mining engineer and Hiram Shorey, a merchant tailor. Paul Harris named the new club "Rotary" because members met by rotation at their various places of business. Club membership grew rapidly.

Many members were from small towns and in the Rotary Club they found an opportunity for camaraderie. When Paul Harris became President of the Club in its third year, convinced of its role, he strove to extend Rotary to other cities.

The second Rotary club was founded in San Francisco in 1908. In 1910, when there were 16 clubs, the National Association of Rotary Clubs was organized. When clubs were formed in Canada and Great Britain in 1912, the name was changed to International Association of Rotary Clubs, and in 1922 shortened to Rotary International. Paul Harris was the first President of both the National Association and the International Association.

Two world wars changed the face of Rotary - Eastern Europe was closed to Rotary until 1989 when the clubs were re-established in Poland and Hungary. In 1990, the first club was opened in the Soviet Union. When President Emeritus Paul Harris passed away on January 27, 1947, his dream had grown from an informal meeting of four to some 6,000 clubs brought together through the service and fellowship of Rotary.

RTN. BARRY RAISIN (R.I. PRESIDENT, 2018-19)

One year ago, your Rotary International Board of Directors adopted a new vision statement, reflecting our aspirations for our organization and its future. It reads, "Together, we see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves."

That simple sentence distills so much of what is essential about Rotary. We unite, because we know that we are far stronger together than we could ever be alone. We take action, because we are not dreamers, but doers. We work to create lasting change that will endure long after our involvement has ended – across the globe and in our communities. And perhaps most important of all, we work to create change in ourselves – not just building a better world around us, but becoming better people ourselves.

A quotation attributed to French writer Antoine de Saint-Exupéry goes: "If you want to build a boat, don't begin by collecting wood, cutting boards, or assigning tasks. Begin by awakening in the souls of your workers a longing for the vast and boundless sea." Each of us came to Rotary because we had a longing – to have an impact, to make a difference, to be part of something larger than ourselves.

I want to see Rotary Be the Inspiration for our communities by doing work with a transformational impact. It's time to start moving forward, by removing the barriers that are holding us back. Let's make it easier to make adjustments in our clubs or start new clubs that suit different needs. Let's work to strengthen Rotaract and smooth the transition from Rotaract clubs into Rotary. Let's give all Rotarians the flexibility to serve in the ways that work best for them, so that every Rotarian finds enduring value in Rotary membership.

Truly sustainable service, the kind of service we strive for in Rotary, means looking at everything we do as part of a larger global ecology. This year, I ask all of you to Be the Inspiration for sustainable service by addressing the impact of environmental issues on our work.

The environment plays a key role in all six of our areas of focus, and that role is only becoming greater as the impact of climate change unfolds. It's time to move past seeing the environment as somehow separate from those six areas. Clean air, water, and land are essential for healthy communities – and essential for the better, healthier future we strive for.

Be the Inspiration – and together we can, and we will, inspire the world.

RTN. VINAY BHATIA (DISTRICT GOVERNOR, 2018-19)

RTN. PRATEEK JAIN

(NEW GENERATION CHAIR, 2018-19)

Dear Rotaractors of District 3011,

On the onset, heartiest congratulations to Ashima and her team who has been selected to represent our prestigious District in Rotaract Organization.

Rotaract technically means "Rotary in Action ". Action means doing something. Something big and large and doing something collectively as one team, which we could not have possibly done individually. It can be related to the issues which you feel so strongly about. It may be for Environment, Waste management, Drug Abuse, health. World is not a limit when well-educated youths like you come together on one platform. And what better platform can you get than Rotaract, which is an international organization so well documented and structured. Which other Youth Based organization can boast of its own constitution, Bye-Laws, manuals, Training Programs?

So Put the Metal on Pedal and Do Good!

I feel privileged to have been assigned the task of District Rotaract Chair by our District Governor Vinay Bhatia Ji. I assure and extend you all desired support which works in benefit for our dear Rotaractors and the District.

Our District, since its bifurcation in 2015, has come a long way conquering all the challenges and standing tall with all pride. The youth of our district has been focused in meeting the core motto of Rotaract, i.e. "Fellowship through Service" catering to the need of the community. Now the responsibility is on your able shoulders to 'Change Perspective' of the youth about core objectives of the movement and channelize their potential to 'Be the Inspiration' and take the District flag to greater heights. Preeti joins me in wishing you all a very memorable Rotaract year ahead. Celebrate Rotaract in every step you take forward.

RTR. HARSH SIROHI (DISTRICT TRAINER, 2018-19)

Dear Rotaractors,

Let me congratulate you all to have your first female District Rotaract Representative of 3011. I am sure DRR Ashima Agarwal will take the Rotaract movement to greater heights.

It's indeed my privilege to serve the Rotaract movement of our district as the District Trainer again. With this tenure we are entering into the 51st year of the Rotaract movement worldwide.

Rotaract is undoubtedly a wonderful youth program of an organization which has a heritage of 114 years. Now, Rotary is really focusing on Rotaract and Interact. I have no second thoughts in saying that may be this is the best time for joining Rotaract as many historical things have already started to happen.

You, as Rotaractors, have a huge responsibility in bringing a positive change within yourself and within the society.

Don't let this responsibility burden you, rather you should enjoy this responsibility to the fullest and this exposure will make you a better human being every day.

As I always say, "The biggest thing people forget about life is, living it. And what is the best way of living it other than living it for someone else."

My Fellow Rotaractors,
Warm Greetings!

Rotaract

Through the pages of our District Directory, I extend warm greetings to each one of you.

Rotaract is not just a word for us but an opportunity to work for the betterment of the society. If I say society, it clearly indicates that you as a Rotaractor are one of the vital parts of it.

The platinum era of our movement has begun. Many a times I, along with my fellow senior Rotaractors, mention about the passion and opportunities that a Rotaractor should think of and look for. If we sit and think for a while what Rotaract as a platform can offer us, the depth of exposure that we can get will surely fill hundreds of pages.

As the immediate past leader of 3011, I congratulate each and every one of you for a successful golden year and best wishes for the 51st year.

An amazing leader stands beside you always and as the DRR 2018-19, she will keep you all inspired and make you the inspiration for others.

May we all together achieve greater heights in this 51st Rotaract year and prove our LEADership inspirational.

RTR. ASHIMA AGARWAL (DISTRICT ROTARACT REPRESENTATIVE, 2018-19)

To my Rotaract Friends and Friends of Rotary,

Since 2015, I am a proud Rotaractor, it's just the Designation that has changed time to time. My journey began with a thought of selflessly working for others and myself. Being the second generation in Rotary, fortunately my family introduced me to Rotaract, I was delighted to hear the motto of Rotaract, Self development: Fellowship through Service. Rotaract was exactly what I was looking for in the past.

When someone raises this common question, "What is Rotaract?", I believe most Rotaractors will agree, we feel at a loss for words to find an answer. This is because in our current era, there are simply too many organizations out there, each having their own distinct focus.

However, what makes us beautiful is that we are an organization that diversifies into different paths of life.

We have our community service avenue, suitable for those who wish to contribute back to the community; we have our international service avenue, in which we focus on international projects and events for those who like to expand their network and know more people globally. We have our club service avenue, dedicated to ensure all members are comfortable in being part of our organization, hence our motto of "Fellowship through Service", and lastly the professional development avenue, or what I often refer as "personal development", for those who always wish to learn and experience more from different fields.

Our beloved RI president for Rota-year 2018-19, Barry Rassin, asks Rotaract-Rotaractors to 'inspire' change in the world and in each other. "He asks all of us to 'Be the Inspiration' to help Rotary move from reaction to action — to take a hard look at the environmental issues that affect health and welfare around the world and do what we can to help."

Being chosen as the District Rotaract Representative was a wish which, by not just my efforts, but everyone else's who travelled with me on this journey, got turned into my present. I wish Team Inspirers, all the very best for being selected by your club to carry the torch of the club with pride and my entire team, stay patient and enjoy this journey.

RTR. ARPIT MEHRA (DEPUTY DRR, 2018-19)

Greetings

Every day I am fascinated and enamored by the Rotaract motto "Fellowship through Service"

Fellowship, being the strongest pillar of Rotaract, has made me realize the importance of people in our lives. Leadership has made me realize the importance of time, the purpose of my life and the special feeling of gratitude.

Rotaract has made me a powerful human being, making me realize that all power is within us. We can do anything and everything; all we have to do is Arise and Awake ourselves from the bubble of helplessness.

Rotaract teaches us the basic essence of human life, to discover, realize and manifest our true nature by cultivating an integrated life, to not just serve the society but to 'be and make' a leader.

Always respect the hierarchy. It is our seniors who guide us from the darkness to the light and always be available to mentor new leaders. This journey of being a mentor and a mentee at the same time will help you reach a new level of satisfaction and make Rotaract worthwhile for you.

**Each person has his/her own meaning and purpose of Rotaract.
Discover yours and make this journey meaningful.**

Let's grow together. Let's help each other grow and let's make the world a better place by embracing each other.

Let's make 2018-19 the best one for RID 3011

"Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves." - Barry Rassin

Hello readers,

Rotaract is a community where its members come together to inspire and change the world for a better future.

I am associated with Rotaract for the past 3 years and it has changed my life in a holistic way. Rotaract has given me opportunities to work for the upliftment of community while growing myself in a professional way.

Every person has a leader within himself and Rotaract helps you to identify that leader in you in a way that you start INSPIRING your family, friends, colleagues, etc. to bring out the leader in them.

So working on the idea of RI President Rtn. Barry Rassin of BE THE INSPIRATION and RID 3011, DRR Rtr. Ashima Agarwal has shown me what an actual inspiration is and how you can pass it on to your fellow beings.

RTR. YAAMINI THAREJA (DRS REPORTING, 2018-19)

Warm Rotaract Greetings!

Rotaract, the Youth Wing of Rotary International District 3011 is an integration of young talent who come together to serve the society and make a difference in the community. Since the onset of my journey in the year 2015, Rotaract has strengthened my abilities and helped me realize my potential. It has given me the courage to push my limits and grow as an individual.

Rotaract helps a person to understand the value of life; to learn how little things add up to cause a big impact in the community, how connections and better friendships help a person to go beyond the boundaries and explore the opportunities, and how working for the community can give contentment and inner peace.

So, let's all work and strive hard to become good leaders and good humans.

Let's Be an Inspiration_ for the world and for ourselves.

From Editors' Desk

Dear Readers

Welcome to the Rotaract District Directory 2018-19. It's an immense honor to be bestowed with this opportunity to pen the first edition of District Directory of Rotaract 3011. We would like to extend our gratitude towards every Rotaractor who contributed towards this document, as their contributions are essential to the Directory's success.

In the 51st year of Rotaract, we strive to extend our Rotaract family in order to fulfill the goals we set, in order to achieve greater heights. To execute this plan, we need some basic information of Rotary and Rotaract readily available; purely for providing necessary information in a quick, neatly and compiled manner to anyone in need. Hence, to serve the purpose, the District Directory comes into the picture.

This directory contains all the relevant information regarding Rotary, Rotaract and the various Rotaract Clubs of RID 3011. This will give our readers a deep insight of what Rotaract is about. It also provides the appropriate information with detailed profiles of our RID 3011 committee, the Rotaract club committees and their necessary contact details.

It has been our prime endeavor to put forward an error-free directory. Nonetheless, if you do happen to find any inadvertent error in the text, we sincerely express our apologies for the same.

Rotaract, with its motto, "Self Development – Fellowship through Service" allows us, the Rotaractors, to focus on the welfare of society but also with self development. It has given us some unforgettable experiences and a chance to bring a difference to the world, and we feel fortunate enough to be a part of this movement. This 51st year has dawned upon us with greater responsibilities and the chance to justify this year's theme – "Be the Inspiration"; pushing us towards discovering our inspirations, work on ourselves and our surroundings and ultimately inspire people with our messages, so that we can all contribute towards making this world a better place.

At the end, we would like to extend our immense gratitude towards the Rotarians, the DRR, the Club Presidents and Secretaries and all the fellow Rotaractors for their constant support. We hope this directory fulfills its purpose.

Regards

Through a variety of sessions, the preconvention meeting:

- Provides training, encouragement, and motivation to Rotaract leaders to advance Rotaract in their districts and to strengthen their connection to Rotary
- Facilitates sharing between Rotarians and Rotaractors, including past club presidents, district Rotaract representatives, and multidistrict leaders as well as those new to Rotaract. Rotary districts shall pay for the attendance of district Rotaract representatives at district, multidistrict, or international leadership training meetings. District governors are encouraged to defray all or part of the costs associated with the attendance of district Rotaract representatives-elect at the Rotaract Preconvention Meeting.

19. Financing the cost of the Rotaract program:

a) **All sponsor Rotary clubs must pay a certification fee of US\$50 for new Rotaract clubs.**

b) **Individual Rotaractors shall pay annual membership fees to their Rotaract club to cover the cost of club administration.**

c) **Any fees, dues or assessments on the membership of any Rotaract club shall be nominal and shall be only for the purpose of covering the cost of administering the club; funds for activities and projects undertaken by Rotaract clubs shall be raised by such clubs apart from such fees, dues or assessments and shall be placed into a separate account.**

A thorough audit by a qualified person shall be made once each year of all the club's financial transactions.

- d) It is the responsibility of the Rotaract club to raise the funds necessary to carry out the program of the club.**
- e) Rotaract clubs should not make general solicitations for financial assistance from Rotary clubs or from other Rotaract clubs. Sponsor clubs may provide financial support when mutually agreed upon.**
- f) Contributions to fund district Rotaract service projects must be voluntary and cannot be made enforceable upon the individual Rotaractor or Rotaract club.**
- g) No part of the expenses of meetings of Rotaract clubs or groups of Rotaract clubs shall be paid by Rotary International, with the exception of the annual Rotaract Preconvention Meeting.**
- h) Rotary clubs and Rotary district conferences inviting members or Rotaract clubs to participate in the programs of such clubs and conferences should subscribe to sufficient trip, accident and liability insurance to protect the Rotary club or district conference against any possible legal or moral obligation and liability.**
- i) The district should make provisions to fund the administrative activities of the district Rotaract committee.**
- j) Rotaract clubs should establish financial guidelines to ensure that all funds are managed in a responsible and transparent manner, including all monies collected to support service projects, consistent with laws and banking regulations in the country, including plans for disbursement of funds should the Rotaract club disband or be terminated.**

20. Rotaract clubs are not authorized to assume membership in or merge with other organizations regardless of the purpose of such organizations.

21. Rotaract club presidents shall update club and membership information to RI each year no later than 30 June through the website. Rotaract clubs that do not submit updated club and membership information to RI in a two-year period will be terminated.

Constitution and By-laws

All Rotaract clubs must have a club constitution and bylaws. These documents provide structure and help clubs govern themselves according to Rotary International's policies and procedures. All Rotaract clubs automatically adopt the Standard Rotaract Club Constitution, and changes can be made only by Rotary International's Board of Directors.

Club bylaws supplement the Standard Rotaract Club Constitution and set common club practices. You are welcome to adapt the Recommended Rotaract Club Bylaws, or create your own, as long as they do not conflict with the Standard Rotaract Club Constitution and the Rotary Code of Policies.

RI DISTRICT 3011

About Rotary International District 3011

RI District 301 with 39 Rotary Clubs was formed on 1st July 1984. However, with rapid growth of Rotary in our Country, the District was re- designated from 301 to 3010, from the Rotary year 1991-92. RI District 3010 geographically comprised the NCR territory of Delhi and the revenue districts of Faridabad, Gurgaon, Rohtak, Rewari, Sonepat and Mohindergarh in Haryana, Ghaziabad and Gautam Budh Nagar in U.P. The total number of Clubs being 78 with membership over 3500 Rotarians, District 3010 and its clubs were active in fulfilling the objectives of Rotary to serve the mankind in its true spirit.

The first club in this region Rotary club of Delhi was formed in 1938 and received its charter on 18th January 1938. The 70's however saw significant growth both in number of clubs and members in this region and by July 01 1984 there were 39 clubs operating in the district. Later on not only did the number of clubs (125) in district 3010 grew at rapid pace, so did its membership (over 5000) in 2014.

However, keeping in view the Rapid increase in Clubs and Membership and their related community welfare activities, Rotary International in its Board Meeting of October 2014, approved the re-districting of District 3010 in to 3011 and 3012, from the Rotary year 2015-16.

Our New District 3011 with its 72 clubs and more than 3000 members Rotarians, now comprises of:-

A] Part of Capital Region of Delhi (45 Clubs)

B]Part of Haryana comprising revenue districts of Faridabad, Gurgaon, Rewari, Rohtak, Mohinder Garh & Palwal (27 Clubs)

RI PRESIDENTIAL THEME AND CITATION

Rotaract
RI DISTRICT 3011

Presidential Theme

Rotary International President, Barry Rassin unveiled 2018-19 presidential theme, Be the Inspiration.

He quoted "I want you to inspire in your clubs, your Rotarians, that desire for something greater. The drive to do more, to be more, to create something that will live beyond each of us."

The President believes that one source of 'inspiration' has been Rotary's work to eradicate polio. We are at an incredibly exciting time for polio eradication: a point at which each new case of polio could very well be the last." When polio is gone, it will be the end of one disease. And it will be the beginning of a new chapter for Rotary" he said.

He has the vision that we all inspire each other to want to change. To want to do more. To want to reach our own potential. He wants to see Rotary Be the Inspiration for our communities through work with a transformational impact — taking the time to research the real needs, to involve all the participants, to plan and to partner.

It is his belief that if we Be the Inspiration — then together, we can, and we will, inspire the world.

Presidential Citation

The Rotary Citation recognizes Rotary clubs that support each of our strategic priorities by completing certain activities. Clubs have the entire Rotary year to achieve the citation's goals.
